ALUMNI REPRESENTATIVE ON JUNIATA DEVELOPMENT COMMITTEE

Donovan R. Beachley, '21 Ex. 1052 Hamilton Blvd., Hagerstown, Md.

To the Members of the Juniata College Alumni Association.

Every alumnus who was able to return to the College this year for the Commencement events could not but be impressed with the way in which Juniata is carrying on in spite of the difficulties created by the national emergency and the world wide war. Things at Juniata have changed and they have remained the same in that proper proportion which represents true progress. The retirement of President Ellis cast some shadow over the occasion, and those who heard his impressive baccalaureate sermon in the Stone Church on Sunday morning were made to realize anew how much Juniata owes to his personality and his talents.

The purpose of the Association, however, is to look forward. If I may for a moment speak personally, I should like to say that it is a real satisfaction and an honor to me to be President of your Association for the year in which my old friend and classmate Calvert Ellis becomes President of the College. Let us give him the support and the cooperation which he so truly deserves. I know we will.

The year before us is in many ways an uncertain one. The personal loyalty and the tangible support of every alumnus is more necessary than ever before. By our efforts in behalf of Juniata and the ideals which she represents, we can help to lay the foundations for the better world of which it is so pleasant to think in these troubled times.

MILES MURPHY, '23,
President

THE TALK OF THE CAMPUS

New College President

DR. CALVERT N. ELLIS will become President of Juniata College succeeding his father, Dr. Charles C. Ellis, who becomes President-Emeritus on September first. The announcement was made by the Board of Trustees on June 21.

Dr. Ellis will undoubtedly be one of the youngest college presidents in the country, yet he has already had a varied business and academic career. His experiences at Juniata have crossed several years as student and teacher. He was graduated from the Juniata Academy and Princeton Preparatory School and received the A. B. (1923) degree from Juniata College and the A. M. degree from Princeton University. He was also graduated with the Th. B. degree from Princeton Theological Seminary and received the Doctor of Philosophy degree from Yale University in 1932. He has studied at Harvard and at the University of Zurich. He held a student pastorate for two summers at Piqua, Ohio, taught in the Lewistown (Pa.) High School and Wilson College. In 1932 he returned to his Alma Mater as Assistant Professor of Biblical Studies, holding the Mary S. Geiger Chair of New Testament as successor to Dr. T. T. Myers. In 1934 he was advanced to the professorship and is now Professor of Biblical Studies and Philosophy. He was chairman of the faculty committee which in 1938 proposed the new Juniata curriculum which has won national recognition. He

has also been Secretary of the Board of Trustees of the College for six years.

Dr. Ellis has been abroad at two different periods and traveled and studied in Europe, the British Isles, and Palestine, and has preached and lectured in many parts of the United States.

1930

1943

Mrs. Ellis (Elizabeth Wertz), also a graduate of Juniata, is known so well by many alumni and friends of the college. Before entering Juniata she was graduated from the Walnut Hill School in Massachusetts. Dr. Ellis expects to continue his interest in the noted D. M. Wertz Orchards of Waynesboro. Dr. and Mrs. Ellis with their two children have their home on Taylor Highlands overlooking the town of Huntingdon and the college.

New Alumni Officers

THE election of Dr. Miles Murphy of the class of 1923, associate professor of psychology and assistant director of the Psychological Clinic of the University of Pennsylvania to succeed William R. Flory, '21AB, as president of the National Alumni Association, was announced at the Alumni Day Luncheon, Saturday, May 29. Dr. Murphy was elected last year's

first vice president. His brother, Dr. Ross Murphy, '12AB, Philadelphia minister, is a member of the Board of Trustees.

Dr. Irvin D. Metzger, '96ME, '40 D.Sc., prominent Pittsburgh ophthalmologist and chairman of the Pennsylvania State Board of Licensure, was elected to the Board of Trustees as the alumni representative. Dr. Metzger takes the place left vacant by Henry Gibbel, '26AB, Lititz, whose three year term expired on June 1.

Dr. Martin Allen Brumbaugh, '18AB, Professor of Statistics at the University of Buffalo, who was elected first vice president, will automatically become the president in 1944-45. The second vice president elected to replace Mrs. C. C. Pheasant, '30AB, was Miss Bessie Rohrer, '97NE, of Waynesboro, a member of the Board of Trustees. Professor Morley J. Mays, '32AB, professor of English, Bridgewater College was elected a member of the executive committee to fill the expired term of Miss Martha Mentzer, '23AB.

These elections were the result of the ballots which were mailed to active members of the Alumni Association.

The President Speaks

In filling this space for the last time I would take occasion to express my personal appreciation for a multitude of courtesies extended to me by the Alumni both individually and in the local chapters on many occasions. The commencement meeting under the direction

of President William Flory and featured by the address of Dr. Francis Green, who was teaching here when I first came, and by the remarks of Dr. Miles Murphy, who was one of my students, was indeed a most pleasing event for Mrs. Ellis and myself. The very lovely silver tea service was a gift so entirely unexpected that Mrs. Ellis insists I failed to do justice to it in my unstudied words of acceptance. If so, will all to whom a stronger word of thanks is due please be assured of our sincere appreciation of this valuable token of your esteem, which we value even more.

Nor would I overlook the kindly words of Tom Cooney, President of the Class of '43, with whom now I have the honor to graduate. Entering in 1888 and graduating in 1943 I can be grateful not only for a longer term of years than the average Juniatian, but in reply to any who may be inclined to make too much fun of my slow progress I may point to the fact that I have **four diplomas** from Juniata, which is also more than most of my fellow alumni can boast. This ties me to our Association by a four-fold cord.

The College closed the year happily without a deficit due to the efforts of our efficient Alumni Secretary and the members of the Alumni Association. I am confident that the graduates and former students of the College together with the Board of Trustees are able to safeguard the future of the institution, and I have equal confidence that they will do so.

In conclusion may I commend to your kindly consideration and co-operation another Juniata Alumnus whom the Trustees have chosen as my successor. Since more than half of the Board are Alumni of the College, the choice has undoubtedly been one agreeable to our Alumni and I therefore turn over the administration of the College with the greater confidence in their whole-hearted support of the new administration not only as it gets under way but as it tries to grapple with the difficult problems which lie ahead.

—CHARLES C. ELLIS.

Presidential Tribute

President and Mrs. Charles C. Ellis were honored by the National Alumni Association of the College on Alumni Day, Saturday, May 29, when Alumni President Bill Flory presented to them a handsome Sterling Silver tea and coffee service. Mrs. Ellis received a beautiful arm bouquet of yellow tea roses.

DR. MILES MURPHY, '23
President, National Alumni
Association

Dr. Francis Harvey Green, headmaster of the Pennington School for Boys, came back to pay tribute to his life-long friend, Dr. Ellis. His message was warm and reflected the usual good humor all expected from the famous lecturer. The incoming president, Dr. Murphy, spoke in appreciation of all Dr. Ellis had done for the college and the association.

The statement on the scroll presented by the Alumni Association and the Resolutions of the Board of Trustees presented on the retirement of Dr. Charles C. Ellis appear on the outside back cover.

Commencement

At Juniata's sixty-seventh commencement on Monday, May 31, fifty-six Juniatians received degrees and four honorary doctorates were conferred. Chancellor William P. Tolley, of Syracuse, the President of the Association of American Colleges, was the commencement speaker and the four Fellow Doctorates in Law

were Hon. William S. Livengood, Jr., '26AB, Harrisburg, Dean John C. Baker, '17AB, Boston, Pres. V. F. Schwalm, Manchester College, North Manchester, Ind., and Chancellor Tolley.

'42-'43 Alumni Fund Objective Met

\$13,044.27 Contributed by 732

The \$12,500 objective for the major project for the year 1942-43 was more than met when 732 Juniata students and friends of the College contributed a total of \$13,044.27. The contributions this year were used in meeting current expenses. This help given to the college was especially useful in view of a substantial decrease in income from tuition caused by the call to the service of approximately seventy men.

*** May we suggest that you encourage young people who are free to do so to attend college today?

*** With the encroachment of other interests, and the continuing of the war, it looks as though there are fewer young men and women preparing for important social professions. At the same time probably there was never a greater need for "men and women with broad vision."

*** Therefore, it is important for a college to maintain a good opportunity for higher education. Juniata College has a commendable peace-time record. Her present energies and enthusiasms are keyed to a war-time educational obligation.

*** Repairing material things in war-time and in the post-war world will mean little if the mind and soul cannot be restored.

*** There is a need for liberal arts trained Christian men and women. Tell others about the opportunities of going to college in a normal way at Juniata. Tell us about them.

THE ALUMNI ASSOCIATION
OF
JUNIATA COLLEGE
TO DOCTOR CHARLES CALVERT ELLIS,

who is this year completing forty-two years of devoted service to Juniata College, thirteen of those years as Vice-President and thirteen as President, and who always, even during the brief periods when he was leading a busy life as student and public lecturer, thought constantly of Juniata; this Scroll is presented in loving appreciation and recognition of this unusual and brilliant record of service.

Signed on this twenty-ninth day of May nineteen hundred forty-three on behalf of the Juniata College Alumni Association.

The Officers of the Alumni Association

RESOLUTIONS OF THE BOARD OF TRUSTEES

of

JUNIATA COLLEGE

On the Retirement of

DR. CHARLES CALVERT ELLIS

as President

WHEREAS, Dr. Charles Calvert Ellis, after over half a century of intimate association with Juniata College, as student, alumnus, instructor, professor, Vice-President and as President and member of this Board, has announced his desire to retire as President of the College;

WHEREAS, the Board of Trustees desires to record its keen sense of appreciation of the long, arduous, able and devoted services of Dr. Charles Calvert Ellis to the College, and to acknowledge the fact that during his incumbency and in a large measure by reason of his untiring and courageous efforts and the force of his outstanding personality, Juniata College has had such a splendid development and remarkable growth in student body, in faculty, in physical equipment and in scholastic attainments, taking its position, by official recognition of the American Association of Universities, among the first ranking American colleges, and maintaining all the while under his inspired leadership its high spiritual traditions, all notwithstanding unprecedented difficulties incident to war and depression;

WHEREAS, the Board of Trustees desires to express, on behalf of itself, the faculty, the students and alumni, their profound feeling of immeasurable loss which will be occasioned by the

retirement of Dr. Ellis and of his good wife, whose constant and sympathetic interest in the College and the students has endeared her to all of us, to let them know that we are glad they will continue to reside in Huntingdon close to the Campus where we may all continue to have the benefit of their valued friendship and kindly help, as well as the constant inspiration of their fine Christian lives, and to wish them both long continued good health and happiness; and

WHEREAS, the Board of Trustees desires further that in its future deliberations it should continue to have the advantage of the long experience, wise counsel and sound judgment of Dr. Ellis, and that the College shall officially continue to be the beneficiary of his pre-eminent position in the educational world;
